Dear Brethren,

Carl and Kay, the servants of Jesus Christ, to all the saints in Christ Jesus, which are scattered abroad. Grace and peace be unto you from God, our Father, and from the Lord Jesus Christ. We thank our God upon every remembrance of you. Our letter could also start out with exhortations from Paul's letters to the churches, John's recorded Words of Christ to the 7 churches.

The first expresses the deep love of the brethren, the second, the gauging of the churches' present spiritual condition. The Word, preached, taught and lived by faith is what keeps the Church in accord with God. The "Bible To you" lessons are a great aid in establishing and reestablishing the Basic truths of doctrine, theology, and Christian living. Just correcting the returning lessons sharpens our lives with reminders and conviction of where we are, and where we need to be. We often have to stop momentarily and cry out to God anew for our own need! Are you using them? Could you use them?

We are in our twentieth year of our international ministry, and though we are much slower due to age, our hearts still ache over the need for the churches to eat up the Word of God and to emulate Christ! Discipleship is still a basic need as well! The "BTY" lessons are an excellent aid for use in the in classes in the church. Some are using them now to reach and teach children through the *After-School Bible Program* in the public school system here in the US. We desire to aid the missionaries in other lands where the Word is free to move through their schools. This is a new idea so please pray with us that God will open doors for us.

You probably felt like we dropped off the edge of the world! It has been impossible to get prayer letters out, due to the loss of our data on the computer that was compromised. When the computer was cleaned, all the email and mail lists were erased. Also Kay had a knee replacement in May: it has been a long recovery. She had complications due to three damaged ligaments and the fibromyalgia. She is doing much better which allows both of us to work in our ministry more.

Last winter was spent in Florida encouraging small churches and sharing this God given tool with them. As we went into churches many times, they told us the timing was perfect. God's timing is always perfect! There were constant problems with our camper. Our plans often flew out the window, but God had the lead, we just had to faithfully follow. On the way home God also led us to a camper that was ready for us. We gladly chucked the other one and drove home with a more dependable unit. It is older, but larger and better built. We used it this summer and will again this Fall for visiting Preachers and evangelists. God is good all the time!

Through this summer we were working with our student body and developing additional lessons. Many of our people have written to say that they are truly blessed by the lessons. Some have had great changes in their lives. One of our men has been released from prison. Pastor and Carl have visited with him and will continue to urge him to come to church. You may wish to view our church, Faith Baptist Church, Shelocta, PA, on Facebook where sermons and Sunday School are recorded.

In closing, please pray for Carl's health. He has testing in a short while to verify if the cancer has indeed returned. A recent test showed true concern. He has cut out sugar and started taking B17.

To help us with mailing us with costs, please email bibletoyou@windstream.net and have us add you to our emails. You may also ask us to remove you name.

God bless you and keep you all in His care,

The Earleys with "Bible To You"
