“SOUNDING FORTH THE WORD OF GOD”

Dear Friend in Christ,

We are extending an offer for free Bible lessons through “Bible To You” for use in local church work or jail and prison outreach. “Bible To You” was designed as a, through the mail, correspondence, soul winning and discipleship program, which is currently being used in many states in America as well as several other countries

The program starts with **“Finding Direction In God’s Word”**, ten lessons covering the Bible doctrines of *Salvation, Eternal Security, Baptism, The Word Of God, The Church, Communion, Prayer, Witnessing, Tithing and Separation*. While the lessons are designed primarily for new converts, or young Christians they focus on ensuring that each participant has truly trusted Christ as their personal Saviour.

After completing the “Finding Directions in God’s Word” series the participants progress to the **“Bible Basics”** series. These nine study lessons cover issues concerning *the Bible, Facts About God, God The Father, God The Son, God The Holy Spirit, Satan, Creation, Sin, and The Way Back To God*. These lessons are designed to be a little more in depth than the “Finding Direction” lessons.

Then participants progress to the **“New Life”** series, which currently has eight lessons: *Security Of The Believer, Holy God-Holy People, Be An Example, The Heavens, Coming Events, Grieve Not The Holy Spirit Of God, The Walk Of The Believer and The Work Of The Believer*.

The fourth set is **“God’s Word Preserved”** which deals with the problem of different English versions and whether the Christian should use them today.

The most recent lesson **“Abortion”** deal with the decision to have an abortion. We have developed 3 (three) lessons to help with that decision. We also wrote a 2 (two) lesson set on **“Fasting and Prayer”**.

Upon completion of each set, “Bible To You” recommends issuing the participant a certificate of completion.

These study guide lessons are perfect for prison ministries, nursing homes, new converts, personal discipleship and growth or even group studies.

All lessons are based on the King James Bible and are designed for ministries who use only the King James Bible.

Please feel free to contact this ministry for free CDs or master copies of lessons, scripture sheets and answer keys for your ministry.

In His service, by His grace,

Carl & Kay Earley
