

## “BIBLE TO YOU”

### “SOUNDING FORTH THE WORD OF GOD”

Dear

Congratulations!!! You have completed all the lessons we can send at this time.

We are rejoicing that you were steadfast and faithful to the end, but it is with a heavy heart that I must write this letter. We at “Bible To You” looked forward every other week or so to see your lesson arrive and have the opportunity to send out another and the little extras we enclosed.

Though we won't be corresponding much after this, don't forget to **pray** for our ministry. We have many students and new contacts each week that we try to minister to. I pray that BTY has been a blessing to you and, because of these written words, you have grown closer to the LORD.

We would like to recommend to you that you continue to do lessons through; **Law & Grace Ministries** with *Walt and Margaret Shankle* The address is **428 E. A Street, Belleville IL 62220**. We also recommend the **Rock of Ages Ministry**. The address there is **P.O. Box 2308 Cleveland, TN 37320**. Other of our former students have started with them and are enjoying their lessons.

God bless you as you continue to walk with, and serve Him. We plan to continue on until He calls us home ,so, you can write and refer others to us at any time. Please remember my life's verse I Corinthians 15:58 may it be for you also.

Until later;  
Caring and sharing,

with “Bible To You”
