This year holds a presidential election, and the media shows us that American leaders and people are far from God! America is in danger, for God hates wickedness, and America is full of wickedness! America is presently in danger of a curse upon it for the president is, it seems, blackmailing Netanyahu. In Genesis 12:3, God says, "And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."

The war in Israel is causing an unbelievable uprising on our campuses where it is no longer a safe and welcome place for the Jewish students. Folks, we, as Christians, are grafted into the spiritual Hebrew nation. Israel was given their land by God Himself. We must care about the Jewish nation and pray for the salvation of their souls, upholding their right to their land.

We all need to be praying and working for the Lord, resting in Him also, for He is our strength. Carl and I are more at rest in our hearts than ever, knowing that tribulation in our lives works patience to trust God to always be with us, no matter how things look. We know from scripture and from experience that through such things we gain more hope in our Lord. So, if you are going through trials, as we are, keep looking to your God. He is faithful and will not let you go any farther into troubles than you can stand. So, stand fast in Him!

Carl and I are trying to aid the folks in our church by cleaning up more areas in the building, week by week. I cannot believe how dirty and rundown things are over there! I asked God if a retired lady, who comes Sunday mornings, would be able and willing to help with some of it. The next Sunday morning she approached Carl and offered to help at the building and even at our house if we need help here. She also told me during hand-shaking time the same day! No one had said a word to her; God had spoken to her! Once again, we say, "Isn't He wonderful?!"

There is a chorus we sing at church called "Isn't He Wonderful". I will get a copy of it for you and add it to this "Chat".

Carl is still waiting for a new doctor to see him for his unhealed arm and another for a pet scan for cancer. I never thought I would see the day when the American medical system would be so messed up! Here is where we must continue looking up! Well, I have an appointment in Indiana in just a bit so I had better close. I will get you the song and verses later. Again, God bless you individually and as a group!

With the love of Jesus , The Earleys, Carl and Kay
