"SOUNDING FORTH THE WORD OF GOD"

Dear Teen,

You may or may not realize this, but God cares about you personally, and so do we.

At your request or that of a friend, _____ we extend an offer for free Bible lessons. We send a warm welcome to you as you begin Bible studies through "Bible to You". To continue doing lessons complete lesson one and return it to the address above. We will correct it and return it with lesson two and so on until you have done all of this set. At the end of this course we will send you a certificate of completion.

There are also three other courses available at this time, and we hope to add more lessons covering various subjects.

We are here to give Biblical answers for questions anyone may have, so feel free to write us any time, or email to:

Caring and Sharing,
