“BIBLE TO YOU” Mission Statement

Starting in our Jerusalem, then to Judea, Samaria and on throughout the world.

It is our aim to reach lost souls for Christ through a Bible correspondence course.

It is our goal to see that those we reach; be discipled, led to a church, when possible, and given a Bible, or at the least, Scripture sheets with each lesson.

It is also our desire to help to equip others such as soul winners, pastors, teachers, evangelists and missionaries with a ready tool for teaching vital Bible doctrines where other outreach material based on the King James Bible may not be available.
