

“Bible To You”

Greetings in the name of the Lord,

“Bible To You” is doing all we can to send forth the Word of God and to reach those who cannot otherwise be reached with the Bible. The lessons are now going to a mission base in Africa and are being used by missionaries in India *but* we have lost contact with some of you who were enrolled to receive lessons right here in the U. S. We do pray that this letter comes as a blessing to you and that you will drop us a line with a completed lesson soon. Many of you are in prison. Some may never be free again, but you can have the greatest freedom known to man. You can be free from the penalty of sin which is eternal punishment in Hell. Jesus lived a sinless life and then was crucified, carrying your sins and mine to that cross. He shed His blood to pay for sin. Some of you have already gone to Him for forgiveness, asking Him to save you from sin’s penalty. You are on your way to Heaven. Some of you have heard it but have not yielded. God is not willing to send anyone to the eternal fires of Hell but each of us chooses for or against Jesus’ sacrifice. Some think they are too bad while others plan their own way to Heaven. Some put off making the decision. Some of us stood at the casket of a 17 year old boy recently. He surely must have thought that he had many years ahead of him. Let us use this opportunity to ask, “Have you been washed in the blood of Christ; are you free from the burden of sin?” If not, why not do it now?! One prisoner related his testimony to us. He said that he was placed in a prison where he heard the preaching of the Word of God and responded to an invitation to come to The Lord and to accept Jesus as his Savior. He did call on Jesus for forgiveness and he is happy today! Although he is in prison physically his soul is set free. We ask you to get honest with yourself and with God. Come to Him right where you are. He will in no wise cast you out; He has promised! Then do these things. Tell us and someone else about your decision, begin to be in the Word of God daily & pray.

If you are a Christian and you know that your life has not been pleasing to God, He is coming to you as a father. His erring children grieve Him and He chastens them because He loves them. Disobedient children of God do not have peace and joy. They do not have their Heavenly Father’s blessing. Do you want your fellowship restored with God? Whether your sin is secret or open, it is keeping you from the full joy you once knew. It is causing you to lose rewards in Heaven and it may require that God calls you home early. I John 1:9 says that if we confess our sin He is faithful and just to forgive us and to cleanse it away. Get busy for your Lord. Do all that you know to do and stay in the Word. Feel free to ask any questions you may have on these subjects. We will try to help with answers from the Word.

In His service,
